HORNUNG

**Brought to Columbus Today
In Charge of a United
States Marshal**

**ARRAIGNMENT PROB-
ABLY TOMORROW**

**Told Custodian He Felt Re-
lieved Since Arrest**

AS HE HAD FELT STRAIN

Of Being a Fugitive From Justice—Wife of Former Cashier of Dresden Bank Said to Have Furnished Him With Sums of Money During His Stay in Indianapolis.

(ASSOCIATED PRESS TELEGRAM)
Columbus, Sept. 3.—John Hornung, former Dresden, O., banker, apprehended recently in Indianapolis, Ind., after he had eluded federal authorities for several weeks, was brought to Columbus today. He was in custody of a deputy from United States Marshal Devanney's office. Hornung told the deputy he felt relieved since being in custody as he had constantly felt the strain under fear of arrest. He probably will be arraigned tomorrow.

The charge against him is embezzlement. He has spent most of the time since he left his home village in Indianapolis, where he lived at the Y. M. C. A. under an assumed name. His bond was fixed at \$10,000, which he was unable to furnish, and he was committed to the Franklin county jail.

HORNUNG'S WIFE

**Has Suffered Considerably in Public
Esteem at Dresden.**

Zanesville, Sept. 3.—Close friends and business associates of Hornung still assert the positive belief that Hornung did not lose all the money he admits having taken from the bank. They insist that Hornung could not have speculated as he claims without leaving some trace of his operations, and as has been stated save one small investment in an oil well near West Carlisle, there is no evidence that the ex-bank cashier ever risked a dollar of his or other people's money.

This, if correct, would seem to effectually block any plan to seize property held by Mrs. Hornung, on the theory that it was perhaps purchased with money taken from the bank.

Whether justly or not, Mrs. Hornung has suffered considerably in public esteem since the announcement by Hornung following his arrest that he "had practically decided, at the request of his family, to return to Dresden and give himself up," clearly indicating, as had long been suspected, that he had been in communication with his family ever since he left Dresden.

It is recalled that Mrs. Hornung on the night of her husband's disappearance joined with neighbors in searching the premises on the supposition that Hornung had committed suicide, and that his body would be found in some of the outbuildings.

The charge has been openly made on the streets of Dresden that a prominent citizen was in communication with Hornung on July 16, two days after he left the town, and that

MYSTERY

**SURROUNDING MURDER OF

REMAINS UNSOLVED**

**Police Believe that Victim Was Killed
in a Quarrel Over Business
Affairs.**

(ASSOCIATED PRESS TELEGRAM)
Philadelphia, Sept. 3.—The police of this city and of Camden City, N. J., have apparently made no progress in their efforts to solve the mystery surrounding the murder of Samuel S. Cord, the wealthy real estate man of Laurel Springs, N. J., who was found dead on the outskirts of Camden last Tuesday with five bullet wounds in his body. Cord had his business office in this city.

Philadelphia officers did not place much hope of clearing up the case on the story told by a Camden policeman who said he saw Cord late Monday night with three men in a room of whom he said appeared to be sick or intoxicated and was being held up by his two companions. The policeman's story led the Camden authorities to work on a theory that Cord was murdered in Philadelphia and his body taken to that city. This theory is upset, however, by a Philadelphia ferry ticket taker who said he saw Cord, whom he knew well, go across the ferry on foot late Monday afternoon.

The Philadelphia police still stick

Ambassador's Wife to Nurse Soldiers of the Czar

Mrs. George T. Marye, Wife of American Ambassador to Russia.

Mrs. George T. Marye, wife of the American ambassador to Russia, will leave her San Francisco home within a few days to return to Petrograd, with the purpose of nursing wounded Russian soldiers. She will leave behind her daughter Helen, aged 9. "Her life does not belong to me," said the mother.

Supreme Court Asked To Decide Validity Of New Civil Service Law

(ASSOCIATED PRESS TELEGRAM)
Columbus, Sept. 3.—The controversy over the new civil service law reached the supreme court today when former Attorney General Timothy S. Hogan and Judge George K. Okey, as legal representatives of the plaintiffs, filed the motion with that tribunal, asking that the Franklin county court of appeals be directed to certify the appeal in the case involving the question of the validity of the act.

By agreement of both sides the common pleas court and court of appeals rendered pro forma judgments, upholding the new law. This was agreed upon in order to get the case before the supreme court for final settlement without loss of time. Whether the supreme court will pass upon the motion before September 21, the time fixed for the beginning of the fall term is not known.

The motion asking that the case be ordered brought into the supreme court declares that the cause is one of great general and public interest and so should be passed upon by the court. It is specifically set forth that no constitutional question is in-

to the theory that Cord was killed in a business quarrel. Olaf Peterson of Riverton, N. J., a partner of Cord's in some venture, is still detained by the Camden authorities as a material witness, but he may be given his liberty today.

ASK GOVERNOR TO CALL OUT MILITIA AT PAPER MILL PLANT

(ASSOCIATED PRESS TELEGRAM)
Albany, N. Y., Sept. 3.—Governor Whitman today ordered out company C of the national guard, stationed at Watertown, to take charge of the strike situation at the St. Regis Paper Mills at Deferiet. The governor said he had no details regarding the situation where rioting occurred last night.

(ASSOCIATED PRESS TELEGRAM)
Watertown, N. Y., Sept. 3.—Application has been made to Governor Whitman by officials of the St. Regis Paper company to call out the local militia for duty at the St. Regis paper mill at Deferiet. Rioting took place at the mill last night, shots being fired through windows of the mills. Telephone wires were cut and several men were pummeled by the strikers. Sheriff Hooper of Jefferson county has a force of about 30 deputies in charge at the mill.

involved. Were such a question an issue, it would require concurrence of all but one member of the court to reverse the findings of the lower courts upholding the act. With no constitutional questions involved, a bare majority of the court can upset a lower court verdict.

The latest Democratic appointee to be separated from the payroll is Wm. J. Dum of Lancaster, who for several years has been superintendent in the office of the state superintendent of insurance at an annual salary of \$1800. He has handed in his resignation to Superintendent Taggart. His successor has not been chosen.

Bert S. Bartlow of Hamilton, Democrat, today denied that he had given up the position of chief inspector of the dairy and food division of the state board of agriculture to which that body appointed T. L. Calvert of Selma, Monday. Bartlow wrote a letter to the board asserting what he regards himself as the legal incumbent of the place and advising that he is holding himself in readiness at all times to perform and discharge the duties of the same.

1500 TROOPS ON TRANSPORT SUNK BY MINE

(ASSOCIATED PRESS TELEGRAM)
Berlin, Sept. 3.—By wireless to Sarville, N. Y.—Telegrams from Sofia, says the Overseas News Agency today, "state that off the entrance to the Dardanelles, a British transport struck a mine and sank with 320 officers, 1250 soldiers and 300 members of the crew, all of whom were drowned. Six hundred bodies were recovered."

The British government officially announced on August 17 that the British transport Royal Edward had been sunk on Saturday, August 11, in the Aegean Sea by a German submarine. The number of troops on board was given as 1,350, with 220 officers and men of the crew, and it was stated that about 600 were saved.

In the absence of a date for the sinking of the transport reported through Sofia, it is uncertain whether this refers to the sinking of the Royal Edward or to the loss of another transport by the British.

FUNERAL

**Of Physician In Charge Of
Widow Charged With In-
citing His Murder**

**NOW OUT ON BOND OF
\$10,000**

**Police Guard at Mohr Home
Increased**

DURING THESE SERVICES

While Detectives Searched Brook Where Negroes Say They Threw Revolvers With Which Dr. Mohr Was Killed and His Female Companion Was Seriously Wounded.

(ASSOCIATED PRESS TELEGRAM)
Providence, R. I., Sept. 3.—Amid the preparations for the funeral of her husband, of whose death she is accused, Mrs. Elizabeth Tiffany Blair Mohr today lost her composure for the first time since suspicion fell upon her. She had attempted a formal interview but it was soon interrupted with sobs and ended in an outburst of weeping.

The funeral of Dr. Mohr, which was held today, was arranged in all its details by the widow, who, following her arrest, was released on bail. She halted her duties at her home today to receive a newspaperman and indicated a purpose to break the silence heretofore maintained.

She reiterated her declarations of innocence and insisted that the story of the three negroes that she had hired them to dispose of her husband was concocted after their plot to rob Dr. Mohr had resulted in his murder. "I am absolutely innocent of this whole terrible affair," she said. "I do not care so much for myself as for my dear children."

With the mention of the children, the tears came and it was some moments before she could continue. "But I am innocent and have nothing to fear. The story told by those negroes is ridiculous. There is no question but that the story they first told of their plan to rob the doctor was the real motive for the shooting."

Although accused of having incited the murder of her husband, Mrs. Mohr, who was released on bond of \$10,000, had full charge of the funeral today. She had been separated for several months from Dr. Mohr.

Mrs. Mohr sent out invitations to the services and asked the Rev. Francis J. Bassett, rector of the Church of the Epiphany to read the Episcopal funeral ritual in the parlor of Dr. Mohr's house in an exclusive residential section of the city. Mrs. Mohr also directed that the burial should take place at the Swan Point cemetery.

Only intimate friends of the family were asked to attend the services. Mrs. Mohr arranged that her two children, C. Franklin Mohr, Jr., and Virginia, who have been living with her, return to their former home for their father's funeral.

Charles Manning Mohr of New York, a son of the physician by a former marriage, also was here with the expectation of attending the funeral.

While a large detail of police was sent to guard the Mohr home and hold in check inquisitive spectators, detectives were searching a brook near the scene of the murder on the Nayatt road in Barrington. According to the story of one of the three negroes who accuses Mrs. Mohr of having hired them to kill her husband, the revolvers with which Dr. Mohr was killed, and Miss Emily Burger, his secretary and companion on Tuesday night's automobile ride was wounded, were thrown into this brook.

Arthur Cushing, Mrs. Mohr's attorney, who succeeded in obtaining Mrs. Mohr's release last night only by offering his own property as part security for the bail bond, said today that he would begin a search for the

+++++
OFFICER IMAGINING
HE WAS A DESERTER
COMMITTED SUICIDE.

(Associated Press Telegram)
Paris, Sept. 3.—The idea that a soldier of France should desert the army at the time of his country's greatest need, so weighed upon the mind of Lieutenant Poncet that he committed suicide today under the hallucination that he himself was a deserter.

The lieutenant was a clerk of the supreme court and had been detailed to act as a representative of the ministry of justice before the second court martial of Paris. In this capacity he was called upon to investigate many cases of desertion. His mind thus fixed upon this subject, it came to haunt him and preyed upon him until he became deranged.

The Germans Who Took Warsaw.

Prince Leopold of Bavaria

Prince Leopold of Bavaria was the German general who took Warsaw. His army was the first within the city taken from the Russians. This photograph shows him within the city the day his troops entered.

Germanic Allies Ready To Discuss Peace, But Wilson Awaits Others

(ASSOCIATED PRESS TELEGRAM)
Washington, Sept. 3.—The United States will make no further efforts to bring about peace in Europe until it has received information that its good offices will be welcomed by both sides in the conflict. This was stated authoritatively here today in official discussions of the message from Pope Benedict delivered to President Wilson yesterday by Cardinal Gibbons.

From the fact that the Vatican is in close touch with Austria, the construction placed by officials on the pope's message is that the Germanic powers would be willing to discuss peace at this time. It was stated by those in closest touch with the administration that similar word will have

to be received from Great Britain and her allies before the President will make any further move.

President Wilson has made it clear several times that his original offer of services to bring about peace still stands and that he will do everything possible to further the movement.

The United States, however, will do nothing likely to endanger its position as friend to all the belligerents, it was said authoritatively.

The pope's message will not be made public by this government, although there will be no objection if Cardinal Gibbons gives it out. Enough of the contents of the message is known, however, to give basis for indicating that Austria, Germany and Turkey are not averse to discussing peace.

LAST FORT IS SURRENDERED BY RUSSIANS

**VON HINDENBERG CONQUERED
FORTRESS AFTER FORCING
RIVER PASSAGE.**

Fighting in Streets With Desperation Russian Were Unable to Withstand Their Foes.

(ASSOCIATED PRESS TELEGRAM)
Berlin, Sept. 3.—(By wireless to Tuckertown, N. J.)—The army of Field Marshal von Hindenberg has captured Grodno, the last of the strong Russian fortresses to hold out. Announcement to this effect was made at army headquarters today, as follows:

"Field Marshal von Hindenberg's army conquered Grodno after rapidly forcing a passage of the Niemen and fighting in the streets of the city. The Germans reached the Niemen between the Augustow canal and the Swisloz-Lennwarden line. German cavalry advanced to the northwest and west of Vilna. The Russians attempted to oppose our advance, but failed, suffering extraordinarily large losses. Southeast of Merez, the Russians were thrown back. General von Gallwitz's troops broke the resistance of the enemy on the Alekszye-Swisloz road. Field Marshal von Hindenberg's army captured more than 3000 Russians, as well as one cannon and 18 machine guns.

"The army of Prince Leopold of Bavaria is still engaged in battle north of Prusany.

"The army of Field Marshal von Mackensen, pursuing the Russians, reached the Jasoldia river near Silnek and Bereza, and also in the district of Antopol, east of Kobryn. Austro-Hungarian troops are advancing to the east and south of Boloto and Dubowje.

"Southeastern theater of war:—General Bothmer's army is advancing and is fighting in the Sereth district.

"Western theater of war:—Near Souchez attacks delivered by the French with hand grenades were repulsed. In Flanders and the Champagne, mines were exploded successfully.

The capture of Grodno by the Germans marks the fall of the twelfth fortress under Teutonic attacks on the eastern war front within a month, beginning with the fall of Warsaw on August 5. It was the last of the Russian fortresses in Poland to hold out. It became untenable when the Germans cut the Grodno-Vilna railway line to the northeast and were fighting their way to the stronghold from both the west and the south.

Grodno was regarded as a powerful link in the Russian defenses against invasion. It lies only about fifty miles from the German border, on the trunk railway line running from Petrograd through Vilna to Warsaw. Its defensive strength has been notably increased in late years. The city of Grodno is the capital of the province of that name and has a population of about 40,000.

TROOPS AND GUNS LANDED BY U. S. CRUISER IN HAITI

(ASSOCIATED PRESS TELEGRAM)
Cape Haitien, Haiti, Sept. 3.—The American cruiser Tennessee arriving here from Philadelphia, debarked 100 artillery men with machine guns today. General Cacos, the revolutionary leader, and his followers, declined to lay down their arms and retired in the direction of Hincheard Gonaives. They left behind them, however, troops which took up positions outside the city to shut off communications with the interior.

SUFFERED FRACTURED ARM.
Wayne Vonham, six years old, son of Mr. and Mrs. Perry Vonham, 71 Leroy street suffered a fracture of the left arm Thursday while at play. Dr. Harry P. Martin set the broken bone.

BACKWARD

**Movement of Russians From

ted at Petrograd**

**LOSS OF LAST STRONG-
HOLD WAS**

**Not Unexpected and Caused
No Surprise**

GERMANS LOSE HEAVILY

And Their Forces Have Repeatedly Been Shaken By Fierce Counter Attacks—Great Artillery Duel Continues Along a Large Part of Western Front—Balkan Diplomacy Active.

(ASSOCIATED PRESS TELEGRAM)
London, Sept. 3.—The evacuation of Grodno is under way. Petrograd admits officially that Russian forces are being withdrawn from the right bank of the Niemen. The loss by the Russians of the last of their strong fortresses has been expected and the report that its evacuation is imminent caused no surprise here. It has been evident for some time that Grand Duke Nicholas had no intention of allowing a number of men sufficient to maintain a long defense to be penned up in any fortress which could be invested.

Along the Galician border General Ivanoff continues to retire, but not without inflicting heavy losses on the Austro-German forces, which have been shaken several times by vigorous counter attacks. In the center and the extreme north the Germans are making little progress. The Russians claim another local success near Vilna.

The great artillery duel continues along a large part of the western front held by the French. The ultimate purpose of this activity is still obscure. The British press is not greatly pleased at the reception by the United States of Germany's promise to modify her submarine campaign. It complains that a promise which does not include protection for merchantmen is inadequate.

Negotiations between Turkey and Bulgaria concerning railroad concessions to the latter are again under way. It is not expected in quarters favorable to the entente allies that they will prove successful.

AUTO VICTIMS RECOVERING; GO TO HOMES

Mr. and Mrs. E. L. Foucht and daughter, Miss Amy and little son John, of three miles east of Thornville, and their guest, Mrs. C. B. Eymann of Lancaster, who were injured at Jacksonstown yesterday morning when the auto in which they were coming to this city skidded on the newly oiled road, and threw them from the machine, were so far recovered today that they were able to leave the Carl Fulk home, where they were taken after the accident, and return to their home. Miss Amy was the worst injured and suffered a number of cuts about the head and body. Their physician, Dr. O. J. Letherman of Thornville, states that no bad results are anticipated, although it was a narrow escape from serious injury.

CHINESE

**MERCHANTS SUBSCRIBE FIVE
MILLIONS TO ESTABLISH
STEAMSHIP LINE**

**To Fly Between San Francisco and
the Orient, Competing With Jap-
anese Line.**

(ASSOCIATED PRESS TELEGRAM)
San Francisco, Sept. 3.—Five million dollars has been subscribed by a coterie of Chinese merchants in this city and in the Orient to finance a steamship line to ply between San Francisco and China in competition with Japanese lines, according to announcement made here today. Half a million dollars of the fund has been set aside for instant call, said the announcement, which was made on authority of John L. McNab, of this city, attorney for the Chinese.

Mr. McNab said a committee appointed to do the preliminary work is quickly securing options on ships. Most of the work, he said, has been accomplished within the last week by the Chinese merchants, the major part of whom are members of the Chinese Six Companies.

The Chinese, McNab said, plan to start with vessels adapted to the peculiar conditions of their oriental trade—that is having limited cabin facilities and great storage and freight capacity. Later they hope to have several first class vessels equipped to handle the best business travel in the world.

MONEY MARKET FLUCTUATIONS SPECTACULAR

ENGLISH MONEY RISES AND
FALLS IN VALUE VERY
RAPIDLY

But the General Trend Was Upward
Several Cents From Previous
Low Record.

(Associated Press Telegram)
New York, Sept. 3.—Foreign
money values soared from low to
high and back again in frantic and
erratic fashion today. All ballast
was thrown overboard at the opening
of the market and values under the
leadership of sterling shot swiftly
upward for an extreme rise of ten
cents over last night's quotations.
Within an hour they had settled,
with many falls and rebounds, to
within two cents of yesterday's close.

In their spectacular flights over
the market, values held only to a
general sense of direction-upward.
Cohesion was utterly lacking. First
figures showed unequalled margins
of difference amounting to as much
as five cents in the case of sterling.
An hour after the opening the quotations
of various bankers were, in
some cases, as much as a cent and
a half apart.

Opening quotations on sterling
were all the way from \$4.70 to \$4.75,
the latter figure being quoted in only
one instance. At \$4.72, it was re-
ported, there were several transac-
tions. The next quotation to appear
on the tickers was \$4.68, a drop
within 10 minutes of four cents.
The nervous market next recorded
\$4.66, then \$4.67, then \$4.64. From
that figure it reacted to \$4.65 and
there for the time being seemed fairly
stationary.

At \$4.65, sterling registered a gain
of two and one half cents over
yesterday's highest quotation, of
fifteen cents above the low record
price of \$4.50 which was reached
this week.

In a market where sensations had
succeeded one another daily,
no more such startling variations of
valuations had ever been recorded
before as that of today. The confusion
of the first hour pointed
clearly, in the opinion of local bank-
ers to one thing, that values, upward
bound, were groping blindly for a
stable position. Analysts of finan-
cial matters attributed the quest for
high levels chiefly to the theory that
both here and in London the
speculators had realized simultane-
ously that they had long overstayed
their position and were rushing to cover.

London's market too, sent exchange
rates vigorously toward higher
quotations.
Shortly before noon sterling was
quoted here at 4.64. The market
was then easy. Francs were quoted
at 7.91, a gain of four cents over
yesterday's, against last night close of 80 3-4 and
lives at 4 46, a loss of one cent from
yesterday.

It was reported in Wall street to-
day that Great Britain had obtained
a preliminary credit loan in New
York City to tide over pressing
obligations and stem the downward
trend of sterling exchange rates un-
til a mammoth credit loan can be
floated here.

International banking houses re-
fused to confirm, deny or discuss
the report.

In the gossip of the street, the
amount of this preliminary loan was
reckoned at from \$50,000,000 to
\$100,000,000 and was based on
collateral of American securities
brought here in two recent shipments
of gold and securities said to have
reached here on the steamers Adriatic
and St. Paul, which arrived here
yesterday.

QUICK

RETRIBUTION IS BEING METED
OUT TO BAND OF MEXICAN
BANDITS

Who Burned Trestle and Killed Two
Americans After Submitting
Them to Torture.

(Associated Press Telegram)
Brownsville, Texas, Sept. 3.—Quick
retribution apparently is being meted
out to the band which, early yester-
day burned a trestle north of Brown-
sville and murdered two Americans,
Earl Donaldson and J. S. Smith. The
Americans were tortured before being
killed by a volley of bullets.

The county officers who killed the
three Mexicans last night are reported
to have in their possession several
rifles and bags of cartridges left by
the dead Mexicans and their comrades
who fled.

At Ft. Brown, it was said today,
infantry and cavalry would remain in
the field until the bandits are cap-
tured or killed.
The body of Earl Donaldson will be
sent to his former home in Montgom-
ery, Mo., for burial. Smith will be
buried at San Benito.

London, Sept. 3.—The British steam-
ship Hounslow has been sunk, pre-
sumably by a submarine. The crew
has been landed safely.

Obituary

Trinity Rector's Father.

The Rev. Lewis P. Franklin, rector of Trinity church received a telegram last evening, announcing the death of his father, Col. Benjamin Franklin, at the family home in Rochester, N. Y. The funeral will be held on Saturday and Mr. Franklin leaves this evening for Rochester. He will be away a week or ten days.

Charles Richard Dold.

Charles Richard Dold, son of Mrs. Max Dold, of Channell street, died early this morning at the Newark Sanitarium, where he had been taken for an operation.

Mr. Dold was born Feb. 14, 1883, and was aged 32 years, 6 months and 19 days. He was employed at the Stimson foundry and was highly respected by all who knew him. He was a member of St. Francis de Sales church and leaves to mourn his loss an aged mother, two brothers, Edward J. and Max M., one sister, Catherine Elizabeth Dold of the home, one half brother, Joseph J. Weaver of the home and one half sister, Mrs. J. P. Copeland of Maple avenue.

The funeral arrangements have not been completed.

Our dear homestead now is lonely.

Death has visited here

Hearts are filled with grief unspoken

Mourning for him who is not dear.

He is gone but not forgotten

By his many friends on earth.

For his name was fondly remembered

As we meet around the hearth.

Charlie now has left us.

And our loss we deeply feel.

But 'tis God who has bereft us.

And to Him we humbly yield

WILSON ASKS SECRETARIES FOR PROGRAMS

LOOKING TOWARD STRENGTH-
ENING UNITED STATES
ARMY AND NAVY

Which He Will Recommend to Con-
gress After He Has Gone Over
Plans With Experts.

(Associated Press Telegram)

Washington, Sept. 3.—Publication of President Wilson's letters to Secretary Garrison and Secretary Daniels calling upon them to prepare for him definite programs for strengthening the army and navy, brought the question of national defense to the forefront again today. The president will submit the proposals, together with the recommendations to congress at its forthcoming session.

Another angle to the question of national defense is the announce-
ment by Acting Secretary Roosevelt of the navy department of plans for building up of an adequate national naval reserve in addition to the existing state militia and the regular reserve created by the last congress through mobilization of yachtsmen and power boats owners and their craft with navy reserve ships in a training squadron.

In army and navy circles today, the nature of the recommendations the president will make as a result of conferences he plans to hold soon with Secretaries Garrison and Daniels and others was awaited with keen interest. This can only be determined, the president says, after further study of the subject.

The president's letter, although written last month, has just been made public. In it, he asked Secretaries Garrison and Daniels to get the advice of departmental experts and submit plans formulated in very definite terms.

Pursuant to this request, the two secretaries have about finished their reports. They will shortly be laid before the president after which he will confer with the heads of the congressional military and naval affairs committee.

OFFICERS

ELECTED BY LICKING COUNTY
CHRISTIAN ENDEAVORERS
IN CONVENTION.

Resolutions. Indorsed "State-wide,
Nation-wide, World-wide Pro-
hibition."

At the annual convention of Licking County Christian Endeavorers last evening the Junior Endeavorers gave a very pleasing little play which lasted about 45 minutes. The play was in charge of Miss Martin of the Tenth Street U. B. church, and the results of her work were plainly evident in the way in which the young people gave the play. A large crowd was in attendance and they were well pleased.

This morning the convention opened with Rev. C. G. Hazlett in charge. Short papers were read from the societies of Uica, Granville and Jersey. They were "Loyalty to Christ; What It Involves," "Loyalty to Church, What It Includes," and "Loyalty to Society, How We Can Show It." All of the papers were excellent.

At 9 o'clock a workers' conference was held with Mr. S. B. Vandersall, of Columbus, in charge.

The social problem came up for discussion, and the duties of officers in connection with an efficiency campaign were dwelt upon.

At 10 o'clock splendid reports from different societies were given. They showed that U. E. work was widespread and did much good.

At 10:30 o'clock the election of officers was held resulting as follows:

President, Robert Rossell.

Vice president, Rev. Mr. Sutton, of Utica.

Secretary, Miss Cora Eschelman.

Treasurer, W. C. Finney.

Junior superintendent, Miss Martin.

Missionary superintendent, Miss Alward.

Quiet hour and evangelism, Mr. Charles Scott.

Press superintendent, Mr. George Deveran.

Pastoral counselor, Rev. Mr. Barnes, of Granville.

Utica was chosen as the next place for a convention.

At the meeting this morning resolutions were adopted declaring for "state-wide, nation-wide, world-wide prohibition."

The following programs have been prepared for this afternoon and this evening:

Friday Afternoon.

1:30—Song Service.

1:45—"Echoes from the State and International Conventions," General Secretary Stanley B. Vandersall, Columbus.

2:15—Address, "The Potency of Prayer," State President Dr. John W. Day, Columbus.

Song.

2:45—Address, Vice President Dr. Grant W. Spear, Toledo.

Friday Evening.

7:15—Song Service.

7:30—Devotional Service, Rev. Don Tullis, Newark.

Special Music.

7:45—Address, "How the Kingdom Ideal Can Be Realized Through Christian Endeavor," State President Dr. John W. Day, Columbus.

Special Music.

8:20—Address, "Our Consecration to Our Opportunities," Vice President Dr. Grant W. Spear, Toledo.

Song.

THE STORE OF NEWARK, OHIO—WHERE QUALITY COUNTS

HAD A GOOD TIME AT THE STATE FAIR

Kenneth and Curtis Teuscher, bright little sons of A. P. "Dutch" Teuscher, were guests at the state fair yesterday of a Columbus newspaper which had offered the trip to youngsters securing a certain number of new subscribers. Kenneth and Curtis took along their dad to show him the sights, but after arriving there they managed to opportunistically lose him and joined the throng of other youngsters who had won a similar trip and started in to make a day of it. The boys were taken in autos over the city to all the principal state institutions after which they were given an hour at the majestic theater and then were taken to the Hartman hotel, where a big chicken dinner was served them. Next they were taken to the fair and with a guide were shown over the grounds, returning home tired but happy, in the evening.

After "Dutch" lost his sons and heirs he started out to take in the big show himself. Purchasing a sack of peanuts and a hunk of ginger bread, he broke for the poultry exhibit and spent an hour in looking over the chickens, the kind with feathers on. Next he viewed the stock department and looked over the cattle, horses, swine and sheep. After spending some time in the industrial arts and fruit exhibit halls, he started for the midway and it was there, after supper that his friend "Bill" Twigg found him, standing gazing awestruck at several girls who had been coming out on a platform and going through contortions while several instruments played weird music upon the inside. He was finally induced to leave and remarked that if all state fairs were as good as the one at Columbus he was going to make application to have the state capital removed to Licking county.

DIRECTUM MADE GOOD RECORD ON VERY POOR TRACK

Yonkers, N. Y., Sept. 2.—Over a track which trainers estimated to be from three to four seconds slow, Directum paced a mile in 2:02 1-4 at the Grand Circuit meeting at Empire City Park here yesterday. Before the trial all experts thought he would do well to beat 2:04 in the loose, cuppy footing, and his performance under the circumstances was regarded as one of the best he has ever made. Starting to beat his own unequalled record of 1:58 without a windshield, he paced the first quarter in :32 the second in :59 1-4, the third in :31 and the fourth in :29.

Nine heats sufficed to decide the three races on the program. Audrey Grey, driven by Walter Cox, was an easy winner in the 220 trotting race, and Lustrous McKimney, with equal ease, won the race 211 pacers, putting in her last two heats in 2:08 and 2:07 1-4.

The star performer in the races, however, was the 3-year-old filly, Miss Harris M, winner of the pacing division of the National Champion Stallion stake. Driven by Lon McDonald, she received off the second heat in 2:07 1-4, convincing horsemen that on a firm, fast track she can beat 2:05.

CORBETT OFF FOR SEASON'S WORK AS RACING STARTER

L. D. Corbett of Hudson avenue, who has been tireless in his efforts to make this summer's matinee meetings at Mountbushers park a big success, left at noon today for Hamilton, Ont., and next week will begin a nine weeks' booking as starter of fall races in the northern part of this state. He was accompanied by his wife, who will visit her father there.

Mr. Corbett has been a factor in the success of the matinee races here this season. He entered into the sport with considerable enthusiasm and with his knowledge of the racing game, was able to do much towards making the weekly events interesting. His friends here will join in wishing him greater success during his fall engagements.

AWAY TO SCHOOL

(Continued from Thursday)

Miss Mary Belle McClain, daughter of George McClain of Ninth street, will return to Denison University for her junior year.

Miss Mary E. Anderson, daughter of Mr. and Mrs. W. H. Anderson of North Fourth street will return to Denison University this fall for her junior year.

Ivan Green, who has been attending summer school at Wooster this summer will continue his studies during the present year and will be a candidate for the varsity foot ball team.

ARREST AMERICAN IN ENGLAND FOR GIVING FALSE NAME

(Associated Press Telegram)

London, Sept. 2.—The Express says that Charles Pray, an American automobile mechanic, who escaped from a German concentration camp a few weeks ago, was arrested last night under the alias registration act on the charge of giving a false name. It is said that his real name is Curran.

On reaching London in July, a man who described himself as Charles B. Pray, of Flint, Mich., submitted to the American consulate an affidavit, stating that he had been held in a German concentration camp since the beginning of the war, having previously been employed by a German automobile company. Although he exhibited a passport, he stated, he was prevented from communicating with American consulates and was compelled to perform hard manual labor. He said he escaped from a Wuerzburg detention camp in May and walked across France, making his way to London.

CATHOLICS CLOSED CONVENTION AFTER ELECTING OFFICERS

Toledo, Sept. 2.—Members of the grand council Catholic Mutual Benevolent association closed their state convention here last night with the election of the following officers: Grand president, Charles A. Wachter, Canton; first vice president, John Hall Mann, Youngstown; second vice president, G. J. Munger, Perrysburg; secretary, Joseph Wynum, Akron; treasurer, George A. Deibenger, Cleveland; chancellor, Rev. P. H. Mahan, Norwalk; marshal, Stephen Junglas, Cleveland; guard, P. J. Beuchler, Louisville; grand trustees, Frank A. Vogt, Mansfield; Hay F. Harbert, Canton; A. N. P. Lerner, Youngstown; P. F. Whelan, Toledo; and Peter Strick, Cleveland.

The organization decided to change its laws to conform with insurance laws recently passed by the Ohio legislature.

RELATIVES SERVE IN ENGLISH ARMY

Miss Ella Evans of Chestnut street has just received a letter from her uncle, Doctor Robert Evans, of Festenlog, Wales. Two of the doctor's sons are lieutenants in the king's service, their work being at present to drill recruits for Kitchener's army.

One son, Dr. Carey Evans, is in his majesty's service as a surgeon at the Dardanelles. Miss Evans is proud of her patriotic relatives.

Climatene is a high class product used in the best homes. 9-3-15

A Fresh Morning, a Fresh Mount and a Fresh-Rolled Cigarette

—there's a combination to kindle a man's spirits with the pure joy of living! The delicious freshness of "Bull" Durham hand-made cigarettes appeals to the countless thousands of smart, active, sport-loving, health-loving American men—gives added zest and exhilaration to their enjoyment. It is quite the fashion to "roll your own" in any company, upon any occasion, with this famously good, pure tobacco.

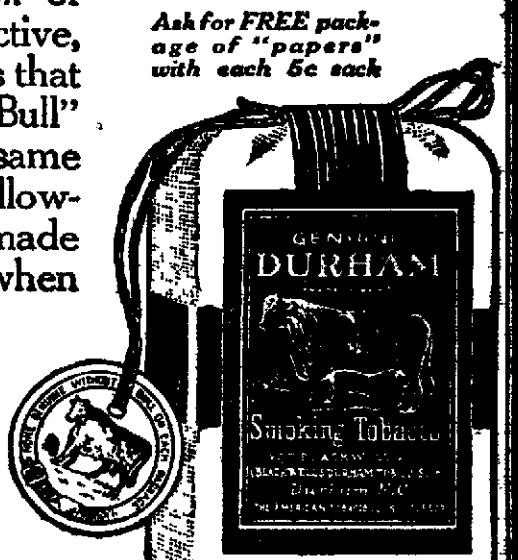

GENUINE

"BULL" DURHAM SMOKING TOBACCO

To millions of experienced smokers throughout the world "Bull" Durham means much more than a particular brand of smoking tobacco—it stands for a distinctive form of tobacco enjoyment, incomparably attractive, delightful, satisfying. No other tobacco has that wonderful, original, unique fragrance of "Bull" Durham. No other cigarettes have the same delicious smoothness, freshness and mellow-sweet flavor of "Bull" Durham hand-made cigarettes. You can only appreciate this when you learn to "roll your own".

FREE An Illustrated Booklet showing correct way to "Roll Your Own" Cigarettes, and a package of cigarette papers, will both be mailed, free, to any address in U. S. on request. Address "Bull" Durham, Durham, N. C.

Tuesday Afternoon

A Young Couple

Just Starting Out

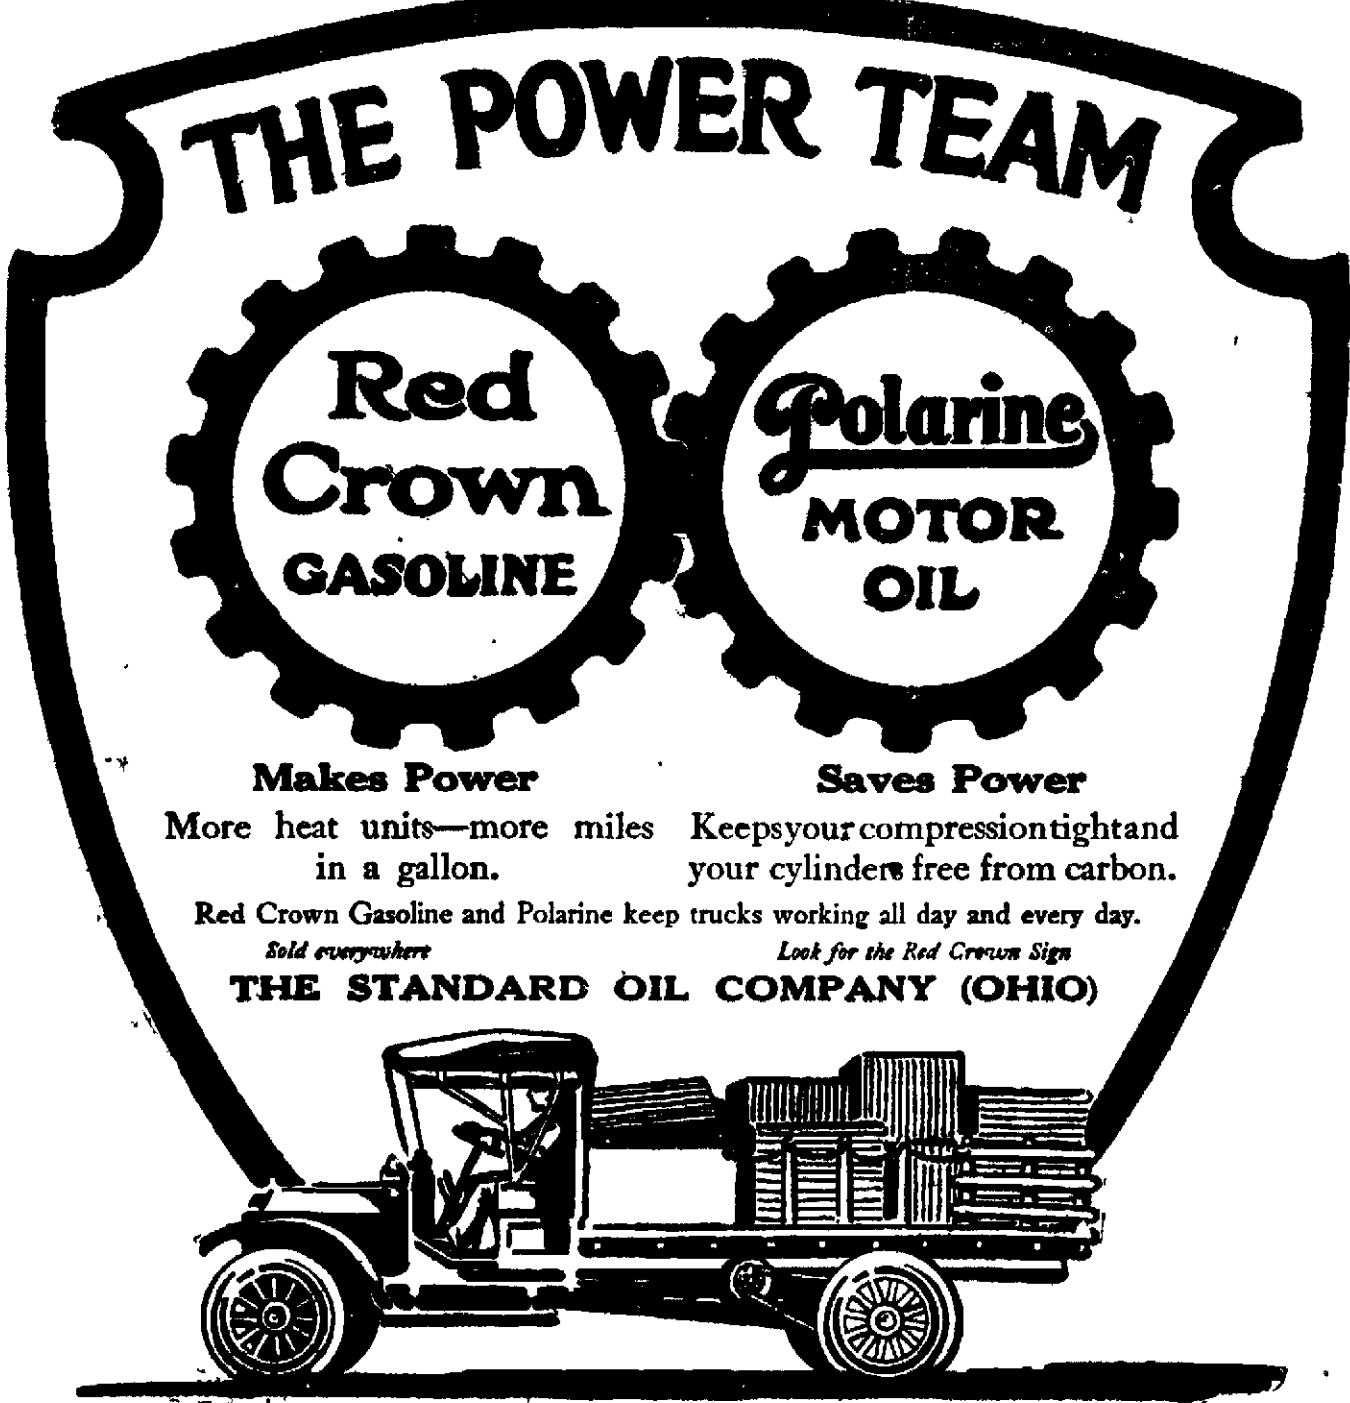

in life bought their furniture at the Sperry-Harris Co., 14 North Park Place. After selecting their outfit, they thanked us for the liberal treatment accorded them and remarked that they had been looking around but gave our store the preference because they liked our way of doing business—plain figure prices and plain, truthful statements in regard to the different woods, makes, etc. We hear this almost every day. It's a satisfaction to have our patrons tell us this. Unlike some stores, we don't allow our salesmen to misrepresent any article in order to make a sale. You'll find our prices lower for good quality furniture. The people are finding the above statement to be an absolute fact.

between the Dutch and Irish, the former being victorious. A most bountiful dinner was served at 12:30 and the day ended with a vote of thanks to Mrs. Dewar for her hospitality.

Dr. and Mrs. D. M. Smith entertained a few friends at the Hotel Warden last evening in honor of Mrs. Smith's natal anniversary. The guests were seated in one of the private dining rooms which was handsomely decorated for the occasion. An elaborate menu was served by the Warden chef and all present had a most delightful time.

WRIGHT-ABBOTT. At 8 o'clock Thursday evening Rev. Mr. Cox united in marriage Mr. Louis Wright and Miss Lucine Abbott of this city. They were accompanied by the groom's father and mother and Miss Elizabeth Wright. The bride is an employee of the Central Union Telephone company and the groom is a son of Mr. and Mrs. T. C. Wright of Wilkins Run. The happy couple left for an extended trip in the east.

MINEHART AND CARPENTER TO DO TWIRLING

For the last three games of the "world series" for the city championship, Carpenter and Nichols for the C. A. C. and Minehart and Lupscomb for the Heiseys probably will do the pitching. This announcement was made this morning. McCarty will receive for the C. A. C. and Strawn for the Heiseys.

WOMAN TAKES POISON; MAY NOT RECOVER

(Special to the Advocate.) Summit Station, Sept. 3.—Mrs. Jos. Fattig, living two miles north of this place, attempted suicide yesterday by swallowing poison. Her condition is serious and there is little hope for her recovery. Ill health is assigned as the cause of the act. Mrs. Fattig attended the state fair in Columbus Monday and it is presumed she planned the deed then as a bottle bearing the label of a Columbus druggist was found in the yard at her home. Dr. Bonnell of Jersey and Dr. Hopkins of Summit Station are attending the woman.

Want a house? read the Wants

Personal

Miss Iloe Smeek is spending the week in Basil, O.

Mrs. Thomas Morris, with her family, of Corning, is in Newark to spend Labor Day with her brother, Mr. Frank Verheyen.

Miss Bessie Larkin left yesterday for Cincinnati to resume her studies in piano at the Conservatory of Music of that city.

Dr. J. A. Mitchell of 63 Hudson avenue has returned from a trip to Canada.

MUST STOOP TO CONQUER

they press down on nerves connected with every and all parts of the body. The spinal column must be frequently and properly exercised to preserve the proper relation between the vertebrae and the nervous system.

This forming a table of the back also retracts the abdomen, straightens the abdominal muscles and increases the tension of the diaphragm—very important accomplishments in the development of health and grace. In fact, it is a good all-round exercise, with strong effect on the muscles of the neck.

Later on you may be able to "touch the floor," but that is not so material if you will very frequently make a table of your back, pulling the torso well up from the hips, where the bend is made.

LESSON VI.

Standing in the basic, well-balanced poise, stretch torso slowly and well up from the hips. Holding knees perfectly stiff, bend at the hip joints until you feel that you have the torso on a horizontal plane. Then slowly turn head from one side to the other, for three (3) counts to each side; then with head at straight level, or are twisted out of position by immobility time and effort, and it seems

"Table Back," an Exercise for Spinal Cord and for Tensing Muscles. Posed for the Advocate's Development Series by Miss Grace Gibson.

Evidently in the development of health and grace we must "stoop to conquer." Our model today shows us a "table back," and in the sixth of the development articles written for the Advocate by Anna Louise Shafer we are told that this bending exercise not only has a markedly beneficial effect upon the spinal cord and spinal nerves but brings into active and corrective exercise a large part of the muscular system.

A home series was requested having in mind maximum results from minimum time and effort, and it seems

ACCIDENTS

IN VARIOUS INDUSTRIES COMPARED ON A CAREFULLY PREPARED CHART.

During Ten Months There Were 52,500 Industrial Casualties in Ohio—Safety First Exhibit.

(ASSOCIATED PRESS TELEGRAM)

Columbus, Sept. 3.—Charts showing graphically figures on industrial accidents in Ohio and their causes compose an exhibit which the state industrial commission considered today sending to local "safety first" meetings over the state. The charts were made under the direction of Fred C. Croxton, chief statistician of the commission and Miss Edith M. Miller, assistant statistician. They are in charge now of Victor T. Noonan, "safety first" agent of the commission. A number of requests for loan of such an exhibit have been received from directors of industrial shows, and the commission is expected to take action to send it on a tour of the state.

The story which one chart tells is that 30,000 of the 84,000 industrial accidents which occurred in Ohio in the 16 months between January 1, 1914 and April 30, 1915, were caused by the falling or shifting of heavy objects which were being moved or loaded by hand. Machinery was responsible for 21,848 accidents; falls of workmen, 8,574; hand tools and simple apparatus, 8,574; molten metal, gas, and other materials dangerous by contact, 7,365; straining of the back or other parts of the body by carrying or lifting heavy weights, 1,977; transportation on tracks, including railway and mine-car accidents, 1,484; transportation not on tracks, 1,020; miscellaneous, 2,728.

Another chart shows that the loss of working men's time caused by the 52,500 industrial accidents during the ten months ending April 30, 1915, was equivalent to the "loss of 725 men's time for 20 years each."

The loss during those months would equal approximately the idle time of all the wage earners in Hamilton, Lorain or Lima, if they were out of work for a whole year; three times as much as similar idleness of wage earners in Marietta, Findlay or Massillon; more than twice as much as in Chillicothe; half again as much as in East Liverpool or Sandusky; one-third again as much as in Newark, Portsmouth, Steubenville or Zanesville, two-thirds as much as in Springfield or Canton; a third as much as in Youngstown, and a quarter of that in Dayton.

Requests for loan of the exhibit may be addressed to the state industrial commission, or to Victor T. Noonan, safety director.

Theatres

Maid in America.
"Maid in America," the New York Winter Garden's most spectacular musical production since its inception is being shown at the Southern Theatre Columbus, every night this week, special matinee Saturday, with the same original company and elaborate production which has been creating theatrical history in Chicago during the past summer, and which has also to its credit a run of four months at its original home on Broadway.

The cast of 125 includes the names of more well known players than have ever been assembled at any one time for productions of the sort.

Theodore Kosloff, the famous Russian ballet master, was especially engaged for the production for the staging of two ballets known as "Ballet Russe" and "The Ballet of Color and Motion." In each of these Mlle. Dazile will be the premier danseuse.

"Maid in America," while fashioned along the lines of spectacular extravaganza such as "The Whirl of the World," seen in Columbus last season, is a musical satire and is described as a "melodious cyclone in two hurricanes and eleven blows uprooting precedent, taking with its bits of dramatic hits, turning the wrong side out, rattling the skeleton of originality, chasing the high brow to shelter and administering twilight sleep to the proverbial musical comedy plot." The book and lyrics are from the pen of Harold Atteridge, author of eight previous Winter Garden successes, with many tuneful musical interpolations by Sigmund Romberg and Harry Carroll. The "Maid in America" musical numbers and song hits of which there are 24 are unusually good. At the Southern, Columbus, this week.

RESOLUTIONS OF RESPECT.

Whereas, our Heavenly Father in His infinite wisdom has seen fit to remove from us our worthy and Beloved Sister Mrs. Gertrude Bell. Therefore be it,

Resolved, That in the death of Mrs. Bell, Centennial Grange, No. 1682, has lost one of its most efficient members, and wishes to express its heartfelt sympathy to the Bereaved family of the deceased Sister, and we may hope, even though the loss is great to us, yet the reward to the faithful is greater for He doeth all things well.

Resolved, That we drape our Charter for 30 days, and that a copy of these Resolutions be sent to the Bereaved Family and one to the county paper.

Signed,
MR. J. R. HAAS,
MRS. ALBERT PIERPONT,
MRS. BYRL RHODEBACK,
S. 3-d-11 Committee.

Election Announcement.

Editor Advocate:—You may announce me as a candidate for a second term as Township Clerk, and I hereby solicit the votes of all who want to vote for me.

M. A. ROOTH

100 KNIGHTS TO BE SENT HERE BY COSHOCTON LODGE

Coshocton, O., Sept. 3.—One hundred or more knights of Pythias, with a large delegation of Pythian Sisters will go to Newark from this city, Sept. 22, to aid in the dedication of the Pythian temple at Newark. The Coshocton band was employed at the meeting Wednesday evening and made arrangements to send the drill team of the local lodge. The Coshocton party will reach Newark shortly after noon.

SUCCESSFUL WAS LUTHER LEAGUE CONVENTION HERE

NEWARK MAN ELECTED PRESIDENT OF LEAGUE FOR ENSUING YEAR.

Rev. Dr. D. H. Bauslin of Springfield Made Address On the Duties of Organization.

The Zanesville District Luther League, which was held in St. Paul's church yesterday, was of a great benefit to all who attended. As the attendance was large and much enthusiasm was shown in the discussion of the subjects so that every one who was privileged to be present gained a more spiritual devotion for the league at large.

The devotional services of the last session were led by Clarence A. Ports, of Newcomerstown, retiring president of the district league. At this session a very interesting and intellectual address was made by Rev. Dr. D. H. Bauslin, D. D., of Springfield on "The Luther League and Men for the Ministry." In his address he brought out that environment had a great deal to do with the selection of a young man's vocation in life; and as the ministry is not a great financial vocation, the result of which is that there is a great need of many devout young men to study for his work. The influence of the pastor, laymen, sisters of family and especially the members of the Luther League should tend to encourage young men to enter into the ministry, as it is from this organization that men must come.

As every young man is not fit for the ministry there should never be placed any obstacle in the way of any one who thought of or had even the slightest idea of entering upon this great work. The per cent of young men that take up this vocation is not what it should be, so every possible effort should be made in directing young men in this way. All during the address the speaker referred to touching examples in his statements which helped to hold the audience with great enthusiasm on the subject. He also stated that there is not a pastor who does not wish that every one of his boys take up his father's vocation.

Everyone that heard this lecture was greatly impressed as the speaker was of the highest type and knew just how to make an address.

After the address the newly elected president, Mr. Frank Wolverton, closed the business with the report of the committee on resolutions.

The president urged that every delegate help boost the District Luther League so that next year the convention be even greater than that of this year.

The retiring president thanked everyone who made this convention a success.

The convention was closed by singing the Luther League rally hymn, which song is cherished by everyone who knows it.

During the afternoon business session the following officers were elected for the coming year:

President, Frank Wolverton, Newark.

Recording secretary, Miss Carrie Snook, Zanesville.

Corresponding statistical secretary, Miss Mabel Snyder, Newark.

Treasurer, Harry Carroll of Roseville.

Clashing Dates.

"It must take a deal of care, I should imagine, to arrange a baseball sched ule."

"Yes, so many attractions conflict. Now, in Boston we have a lot of trouble avoiding dates on which there are symphony concerts."—Puck.

Semi-official.

City Editor—What do you mean when you wrote "The statement is semi-official?" Reporter—Mrs. Blinks wouldn't talk, so I got the story from her husband.—Philadelphia Ledger.

It Always Is.

Sympathizing Friend—Didn't you find it hard to lose all your money? Hardup—No; easiest thing in the world.—Town Topics.

They serve God well who serve his creatures.—Mrs. Norton.

Huh!

Said a skinny young woman named Gaddis.

Who is one of our best little paddlers:

"I may not be fat

In my limbs; but, bless Pat,

My horse never gets Jacob's ladder!"

In time of peace there is no port in the world into which so many herring are brought as Great Yarmouth, England; and Lowestoft is not far behind. In 1912 the herrings landed at these two ports together numbered 1,362,000,000.

BULGARIA WILL NOT BE GIVEN EVERY DEMAND

(Associated Press Telegram)
Rome, Sept. 2.—Via Paris, Sept. 3.—Revision of the treaty of Bucharest, which ended the Balkan war in 1913, has been agreed to explicitly by Serbia, Rumania and Greece, according to reports received here, but it is said these countries are not willing to satisfy entirely Bulgaria's claims to territorial compensation for participating in the war.

Bulgaria's pretensions apparently are irreconcilable with what her neighbors are willing to grant and the impression is gaining ground here that she is prolonging the negotiations with the aim of postponing the day when she must reach a decision.

Three years old daughter of Mr. and Mrs. Homer Neibarger, 52 Penny avenue, Newark.

SNEEZERS HOLDING ANNUAL MEET IN NEW HAMPSHIRE

The annual convention of the United States Hay Fever association opened at Bethlehem, N. H., yesterday. There were no local delegates although Newark has several hundred who are eligible, judging from the amount of sneezing done in the last few days, or from seeing pockets bulging out with extra handkerchiefs.

The convention at Bethlehem opened with an orchestra accompaniment of "achoo's" in several hundred tones of voice, according to telegraph dispatches from that city. The Rev. Guy Roberts, president, led the deliberations. He is not a "sneezer" and was elected for that reason, as the members thought the preceding president took too much time out for his own personal spasms in the midst of the meetings. The present is the forty-second annual gathering of the hay fever pestered.

Want a house? Read the Wants.

MAKE THE ROADS BETTER BY JESSE TAYLOR Editor of Better Roads and Streets

While there may be a few variations in the value of farm lands, there is an unquestioned fact, that as a general rule, the higher values are largely due to superior public roads.

The old saying, "a stitch in time saves nine" never applied more appropriately to a pair of pants than it does to the maintenance of a wagon road.

The transportation question will never be solved as long as it costs as much to carry a ton of agricultural products to the railroad station as it does to carry it four hundred miles over a railroad.

Mud knows neither the farmer, the rural mail carrier, nor the automobile owner. Mud may have a place in nature but we have no use for it in the middle of the road.

Improved roads are the earmarks of civilization, the evidence of intelligent, education and refinement, but bad roads are the sign of backwardness, ignorance, or a careless citizenship.

Are you in favor of improved roads? If not, you don't belong in Ohio.

Not only must the quality of the soil and the improvements be satisfactory to the man who wants to buy a farm, but before he will go with a real estate agent to even look at a farm he wants to know that it has a telephone, is along a rural mail route and a good road.

Throw away your clubs and get on the good roads wagon.

Improved roads will keep the boys and girls on the farm and will bring the city folks out for fresh air.

"Hell on earth" is back on a bad road with a neighboring land owner who will not sign a petition for the construction and improvement of a new road.

Improved roads have a money value as well as a social value.

Looking at an improved road from the standpoint of the almighty dollar it is found to pay a handsome dividend each year.

PUSH. If you can't push, PULL. If you can't pull then please get out of the way.

A community is known by the road it keeps.

Many county roads are paved with good intentions, but for the most part with lumps of sod, stone, ruts and rubbish.

Let everybody awaken to the importance of improving the public road, for improved roads will bring: better schools and greater attendance; better health and quicker medical attention; better farms and more cultivated land; better crops and better transportation; better social condition and less isolation; better churches and better homes; better men and a better Nation.

The development of a full serviceable highway system should be a matter of national concern, co-ordinate with the development of waterways.

Hall's Drug Store.

and the conservation of our natural resources.
Why are the roads generally so poor?
Answer. Because, as a rule, except in a few states, they are built by taxation upon the abutting land owners with no provision for maintenance.

25 Years Ago

TENNIS PLAYERS ARE ERRATIC IN CHAMP TOURNEY

Forest Hills, N. Y., Sept. 3.—Erratic play on the part of the leading contestants for the title was the outstanding feature of the third round of the national tennis championship singles tournament on the courts of the West Side Club here yesterday.

Although the weather conditions were favorable for the fastest kind of court work and the largest gallery of the week was on hand to applaud every winning stroke of the players, the general form was not as high as in the earlier rounds.

While there were no upsets to check the progress of the favorites, there was an almost entire absence of the sensational tennis that so thrilled the spectators at Wednesday's matches.

5 MURDERERS ELECTROCUTED IN SING SING

(Associated Press Telegram)
Ossing, N. Y., Sept. 3.—Five murderers were put to death in the electric chair at Sing Sing prison today, inside of 67 minutes. The men in the order of their execution were: Antonio Salemme, of Rochester county, Pasquale Venditti, of New York, Louis M. Roach, of Palatine Bridge, Thomas Tarpey and William Perry, of New York.

Roach was convicted of the murder of John Barrett, a Palatine Bridge farmer, on the night of December 22, 1913.

Venditti shot and killed Mrs. Alvidi Carmela, with whom he boarded in Brooklyn on July 25, 1911.

Tarpey killed Michael Kreha, foreman of a paper factory where he had worked in Brooklyn on May 30, 1914, while Perry, a negro, killed Leonard Reddick, in New York, Sept. 17, 1914. Salemme murdered his bride of a few weeks, in June 1911, after he accused her of being unfaithful.

ONE MUST HANG; AN OLD VETERAN SHOWN CLEMENCY

Jackson, Miss., Sept. 3.—Governor Brewer has commuted to life imprisonment the death sentence imposed on J. A. Tabor, a Confederate veteran of more than seventy years of age, who was to have been executed Sept. 6 for the murder of his daughter-in-law.

The governor also declined to interfere in the case of L. Johnson, a murderer, who is sentenced to hang Monday next. Johnson will be the first white man executed in Mississippi in more than ten years.

PATASKALA MAN UNCLE OF MAHON VICTIM OF THE F-4

David F. Mahon of Pataskala is an uncle of Ivon Mahon, electrician, who lost his life on submarine F-4 in Honolulu harbor. Seven years ago Ivon Mahon lived in Columbus with his father, Elmore Mahon, now of Lima.

Naturally.
Mr. Dudds—Why do you always stand before the mirror while dressing?

Mrs. Dudds—To see what is going on, of course.—Puck.

One Danger.
Optimist—The world owes me a living.

Pessimist—Look out that it doesn't declare a moratorium.—Judge.

Of 50 farms in Montana, the 25 more profitable ones had four important sources of incomes, while the poorer farms averaged about two. The better farms were stock and grain farms. Most of the poorer farms produced only grain.

Mr. and Mrs. E. H. Stradley and Mr. and Mrs. L. N. Porter attended the State fair Wednesday.
Mr. and Mrs. Peter Van Winkle of near Utica spent Tuesday with C. B. Fisk and family.

SNELLING REUNION.

The fourth annual Snelling reunion was held at Moundbuilders Park, Newark, Aug. 31st. A goodly number enjoyed an excellent dinner. Many more joined the gathering in the afternoon and enjoyed a fine speech given by Rev. A. B. Cox, Rev. J. M. Lamp also taking part in the program. A poem was read by Prof. O. L. Durstheimer. After the election of officers the date was set for the next reunion to be held at the same place, second Thursday in August, 1916. It is desired that Bros. Cox and Lamp be with us in our next meeting.

UTICA SENDS DELEGATION TO ST. LOUISVILLE

It's a good way to get together. It's a good thing to know. It's a good thing to get together. For it keeps our work afloat. It's a good thing to know. It's a good thing to get together. For it keeps our work afloat. It's a good thing to know. It's a good thing to get together. For it keeps our work afloat.

The above lines, expressing so perfectly the feeling in the hearts of the members of the St. Louisville Christian Endeavor Society of the Church of Christ, prompted them to action.

The result was, that fifty-three of the Utica church of Christ Endeavors accepted, their invitation to spend an evening with them at St. Louisville.

Arriving on train No. 12, they were met by some forty young people, who gave them a hearty welcome and escorted them to the I. O. O. F. hall where others were awaiting them.

Refreshments were served, the tables being arranged to form a hollow square with floral decorations carrying out the color scheme of red, green and white.

The program was a varied one, consisting of vocal and instrumental music, a few short talks and social conversation. These were interspersed with lively social yells and songs which showed the mutual good will of one society to the other. In fact, the Christian Endeavor spirit was in evidence, throughout the evening.

As the time of departure drew near all sang the verse above to the tune of "Tipperary" and the guests were accompanied to the depot. There, they separated, feeling that it had, indeed, been a "good thing to get together." Those of the visiting society were: Rev. and Mrs. F. P. Sutton, E. C. Tulloss, Marie Fairley, Dayle Tulloss, Lucille McLaughlin, Zella Dick, Fred Sutton, Lawrence Hay, Mae Hay, Mary Ruth Hay, Sylvia Alton, Lillian Alton, William Alton, Nona Friend, Esther Elliott, Annie Bell Thomas, Jennie Casper, Alice Thomas, Izora Sutton, Isabelle Tulloss, Margaret Smith, Mrs. E. E. Tulloss, Pearl Watson, Ruth Sutton, Nina Watson, Geraldine Smith, Wanda Kempton, Ray H. Tulloss, James W. Fravel, Ivan L. Hall, Edna McPeck, Herbert McPeck, Myrtle Simpson, Dewey Farley, John E. Wilson, Charles Carlisle, George Weston, Mrs. H. W. Smith, F. Edgar Wilson, Walter Wilson, Effie Hay, Mrs. J. H. Carlisle, Floyd L. Carlisle, Paul Carlisle, Harry Smith, Iva Maye Elliott, Stella Jacobs, Grace Brown, Zella Reeder, Edna Riley, Mrs. Joe McPeck and Addie Cumrine.

W. VA. LEGISLATURE WILL NOT REPEAL PROHIBITION LAW

(Associated Press Telegram)

Clarksburg, W. Va., Sept. 3.—Governor H. D. Hatfield, in a speech here yesterday, declared that he would not call a special session of the West Virginia legislature for the purpose of repealing or weakening the prohibition laws of the state. He said he believed a great majority of the citizens wanted drastic prohibition laws and it was his duty to carry out their wishes. Reports from various West Virginia cities recently said petitions were being circulated urging the state executive to call a special session to enact legislation which would permit the use of light wines and beer.

ARMY MEN CLAIM RECORD IN SENDING WIRELESS MESSAGE.

Kansas City, Sept. 3.—Army men at Fort Leavenworth claimed a record today in having sent a wireless message forty four miles, using United States army's newest field apparatus, operated by the Fifth and Sixth divisions of Company A, United States Signal Corps.

EQUAL SUFFRAGE DEFEATED.

Montgomery, Ala., Sept. 3.—Equal suffrage was defeated in Alabama yesterday, when the senate rejected a bill 21 to 10.

WHAT A MOTHER SAYS.

Vienna, Ohio.—"I am glad to write in regard to what Dr. Pierce's Prescription has done for me. I am the mother of two children. I took three bottles of 'Favorite Prescription' and was helped greatly. Am sending the picture of my four-months-old baby girl."

"I will gladly recommend Doctor Pierce's 'Favorite Prescription' to all mothers. I am, EMMA MERRIMAN, South Vienna, Ohio."

Lowell, Ohio.—"I made up my mind Dr. Pierce's Favorite Prescription was just what I needed and I used about two bottles. I had had an abscess and after operation wanted a good medicine. I was low spirited, had the tired-out feeling and was nervous. This medicine helped to put me on my feet. My weight went up from 120 to 155 lbs. I have never taken any remedy that did me so much good as this. I am only too glad to recommend it."—MRS. SARAH DONALDSON, R. F. D. 1, Lowell, Ohio.

Doctor Pierce's Favorite Prescription cures weak and aching backs, headaches, nervousness and other womanly ailments by curing the womanly diseases which cause them. It makes weak women strong, sick women well. Dr. Pierce's Favorite Prescription is a remedy that any ailing woman can safely take because it is prepared from roots using pure glycerine instead of alcohol, and is not a secret remedy for its ingredients are printed on wrapper. Get it to-day, either in liquid or tablet form, or write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for a free look on woman's diseases. Constipation causes and seriously aggravates many diseases. It is thoroughly cured by Dr. Pierce's Pellets. One is laxative; two or three a cathartic.

Granville

(Special to The Advocate)

Granville, Sept. 3.—To match the record-breaking attendance at the State Fair yesterday, Mr. Burton Case reported Thursday as a record-breaker for attendance at his peach orchard, "the biggest day he had known in its history." People stood in line all day and carried away more than two hundred bushels of first class fruit. "Elbertas" are going like hot cakes—and there are other varieties of yellow peach—much in demand.

Miss Blanche La Ferre entertained with an informal but most delightful tea yesterday afternoon at her home in South Main street in compliment to her sister, Mrs. L. H. Cammack of Huntington, W. Va., who will leave for her home tomorrow. About thirty were present. Tea was served in the dining room. Misses Imogene and Louise Hamble assisted the hostess. A dinner of charming appointments was given by Prof. and Mrs. Frank Ray last evening at their home on the Newark road, at which Mrs. Edward M. Jones (Miss May Halderman) of Winchester, Ky., was guest of honor.

Mrs. Elizabeth Spellman has as house guest in her home in East Broadway, Mrs. M. C. Grace of Houston, Texas, who will remain for a fortnight.

Mrs. M. P. Ashbrook and son Eugene have returned from a two weeks' stay at Winona Lake, Ind.

Mr. George O'Daniel and family who have occupied the old Beckel home on Mt. Parnassus for several years past, moved to Mt. Vernon yesterday.

Miss Lottie Sinner, who has been visiting in Granville and in Michigan during the summer, has returned to her home in Cincinnati.

Miss Grace Bond, who has spent the summer at Northport, Mich., has returned home.

Mrs. Jane Buell of Newark was a Granville visitor Wednesday.

Miss Mary Esterle of Columbus is visiting at the home of Mr. and Mrs. George Futerer in Centerville street.

Mrs. J. S. Jones and daughter, Miss Frances Jones, have gone to White Sulphur Springs, Virginia, for a sojourn of a week or ten days.

Many people here are interested in the sale of household goods, including some antique furniture, to be held on Saturday, Sept. 4, beginning at 9 a. m. at the home of Mr. and Mrs. Harry Thomas in Summit street.

Rev. and Mrs. Millard Brelsford have returned from Cleveland where they spent most of their vacation. During their absence they made a trip to Lake Chautauque, N. Y.

President and Mrs. C. W. Chamberlain, who have spent the past few days in Chicago, have returned home.

Miss Ely of Clearwater, Florida, who has been on a tour of the Pacific Coast, has been the guest for a few days of Mrs. B. E. Jones in West Broadway, and is now with Mr. and Mrs. Dicken and Miss Taylor at their home in West Broadway for a brief stay before leaving Granville.

PHYSICIAN HURT ON CROSSING AT CAMBRIDGE, O.

Cambridge, Sept. 23.—Dr. H. W. Arndt of Lore City, suffered a broken thigh and broken leg yesterday when his auto was caught between two cuts of cars on the B. & O. at Lore City. He mistook a signal of warning as a signal to go ahead, and drove his machine on the tracks, and the auto was crushed between the bumpers of two cars. The victim was brought to the Cambridge hospital. His recovery is assured.

Dr. C. C. Weist,

192nd Visit to Newark. Ohio

WARDEN HOTEL

Monday, Sept. 6, 9 a. m. to 8 p. m.

If your Disease is Chronic, consult Dr. Weist. It will pay you.

PRACTICE LIMITED

to Chronic Diseases of the Head, Nose, Throat, Ears, Bronchial Tubes, Stomach, Liver, Bowels, as Indigestion, Dyspepsia, Bilioousness, Constipation, Diarrhoea, Blood, Heart, Skin, Rheumatism, Eczema, Pimples, Scrofula, Bad Blood, Nerves, Spine, Neuralgia, Nervous Exhaustion, Depressency, Kidneys, Bladder, inflammation of Kidneys and Bladder.

Home Treatment for Women Only at Home. Treatment can be used at home without delay from work, for such troubles that thousands of women are great sufferers.

DISEASES OF MEN

Dr. Weist wants to have a talk with every man that is suffering with a nervous breakdown, discouraged, or diseases of a private nature.

Why not consult Dr. Weist because he has made regular monthly visits to this community for years, and has an established practice. Because his practice is limited to Chronic Diseases. Because his patients consist of long-standing cases who have failed to get results elsewhere. At least three-fourths of his patients are sent to him by his former patients.

REMEMBER

That Dr. Weist invites you to call and consult him.

Newest Fall Suits

Direct From New York City Ready For Your Choosing

THE individual distinctiveness of Regen, Loar & Co. tailored suits is their chief attraction to women. It is impossible for the wearer of one of our models to escape attention wherever she appears—not the attention that is given to dress absurdities, but that which is admiringly given because of the good taste shown.

They have character and simplicity

The effect on the wearer is that of supreme satisfaction in possessing a suit so richly elegant, yet so simple.

New Fall and Winter Coats

MIXTURES, White Chinchilla and Corduroy for utility wear in all colors and combinations with and without fur trimming.

Are you thinking of a Pile Fabric Coat for this winter? Now is your great opportunity to buy, as prices are soaring on the pile fabrics owing to the shortage of dyes and the big strikes at the largest plush mills. Since we bought there has been a wonderful advance, and still going up. See these wonderful, luxurious coats.

NEW SWEATERS, NEW TAFFETA SILK DRESSES, NEW SILK POPLIN DRESSES, NEW TAFFETA AND SERGE COMBINATIONS, NEW WOOL SKIRTS, NEW SILK SKIRTS, NEW SILK WAISTS, NEW LINGERIE, WAISTS, ETC., ETC.

Newark Man Elected.
George McLain of Newark, was
elected president of the organization
of the Sniff family, at the reunion
held yesterday at Moxahala park,
Zanesville. Miss Nettie F. Smith of
Hopewell was named secretary. The
Sniff family is one of the oldest
families of Muskingum county. The
next reunion will be held at Bremen.
Wilkey I. O. O. F. Reunion.
Grand Warden Frank E. Slabaugh
of the I. O. O. F. and Mrs. Jeanette
Moore, Rebekah past president, were
among the Newark people who at-
tended the 22nd annual reunio of
the Wilkey I. O. O. F. at McConnells-
ville Thursday.

Dr. Baxter Has Returned.
Dr. Leland Baxter who has been
taking post-graduate work in Har-
vard medical college during August
has returned and his office at 79
Hudson avenue will be open as us-
ual.

Brother Very Ill.
Frank Muenz has received word
that his brother William is in a very
serious condition at Gallipoli, O.

and that no hopes are held out for
his recovery. Mr. Muenz left this
city about six weeks ago for a visit
at his old home at Gallipoli, and
was a former iron molder in this
city, where he was very popular, hav-
ing legions of friends, all of whom
will learn with regret of his condi-
tion.

Attention Old Guard.
There will be a regular meeting of
the Company in the Armory, on Sat-
urday the 4th day of September,
1915, at 2 p. m. sharp. Every mem-
ber of the Company is required to be
present unless regularly excused
from duty. By order of Mathew
Bausch, Captain; J. W. Leidigh, Ad-
jutant.
Moving From Dayton.
J. W. Baker, assistant sales man-
ager of the Blair Motor Truck Com-
pany, has leased the Charles A.
Smith house, 172 Hudson avenue
and has just brought his wife and
daughter here from Dayton, Ohio.
Mr. Smith is fitting up an apart-
ment in the Dr. Chas. H. Stimson residence
property, corner Church and Second
streets.

New Main Street Restaurant.
Remodeling of the Rider room in
the old Masonic building, formerly
occupied by the William E. Miller
Hardware store, has commenced.
The room is to have a new front,
new ceiling and decoration and is to
be ready for Shondell's restaurant
on or about September 22. Mr.
Shondell is advertising cleanliness

and quick service and says the place
will be up to date in every respect.

Buying Truck Material.
John P. McCune, general manager
of the Blair Motor Truck Company,
who went East early in the week to
buy truck material, is expected home
tomorrow. Mr. McCune has bought
material for early delivery in order
to begin the delivery of completed
trucks in November. The Blair com-
pany recently secured in New York
an order for trucks that will keep
the factory busy for a long time.

South Side Improvement.
James W. Rutledge who has been
remodeling his South Side business
room, practically rebuilding the en-
tire three story block, has decided
to make the clothing store a "day-
light" room by making the entire
west wall plate glass. Mayor O. C.
Jones has been thinking of making
an Arcade from the square to the new
market house but whether or not
this is done, Mr. Rutledge has start-
ed to cut out his wall for the glass.
East Side Improvement.
Extensive alterations and improve-
ments are being made in the
Besanceney Brothers furniture store,
East Side Square. This firm has
leased additional space and is provid-
ing for large second floor show
windows. The stairway between the
Mitchell & Miracle (clothing store
the Besanceney Bros. room has been
removed and a fine new front will
be put in the furniture store room.

GREAT BENEFITS
WERE LASTING

Newark Woman Has Restful Nights
and Comfortable Days, Thanks
to Nerv-Worth.

"I have been troubled with ner-
vous ailments and sick headaches.
Was unable to do any washing and
at night had to walk the floor be-
cause I could not sleep. Since tak-
ing Nerv-Worth I get a full night's
rest, do my washing and ironing and
have been relieved of those awful
pains in my head and back. It has
been two weeks since I quit taking
Nerv-Worth, and as I am in as good
condition now as when I was taking
it I feel confident there is no opiate
or narcotic in it. I have made
friends by recommending Nerv-
Worth, as those friends get results
from it also. I thank you for selling
me this wonderful medicine."

This is what Mrs. Nancy Jones of
164 South Sixth street, rear, wrote
to T. J. Evans, seller of Nerv-Worth.
It tells an eloquent story. Mrs. Jones
is right. There isn't a single harm-
ful drug in Nerv-Worth. Sold on
guarantee. \$1.00 a bottle. (Adv.)

Use Climalene for washing your
dishes. It has no equal. 9-3-1t

Certain Manufacturers
Q UITE a number of American manufacturers
being fully informed on the condition of
the basic factors which underlie and affect all
trade were able during 1914 to contract for
their raw materials practically at the bottom
price of the year, and at what will probably be
the bottom price for two or three years. The
experience of these men is conclusive evidence
of the importance of keeping constantly posted
on underlying conditions.
At regular reading of our monthly Report
on Trade will enable any man, no matter how
well informed, to keep better informed.
The Newark Trust Co.
CAPITAL
AND
SURPLUS
\$325,000.00

Give Climalene a fair trial and you
will never be without it. 9-3-1t
Temperance Rally.
The Gratiot W. C. T. U. will hold
a public rally at the M. P. church,
Sunday, September 5th at 7:45 p. m.
A program will be rendered. A
speaker from the Zanesville M. P.
conference is expected. We antici-
pate an interesting time. Come.
Climalene is better than soap for
washing dishes. It leaves no greasy
coating on the surface. 9-3-1t

Announcing the

Willys Knight

\$1095

I. O. B. Toledo

**The World's Lowest Priced
Knight Motored Car**

THIS announces the greatest
achievement in the history of
the automobile business.

Practically every royal and titled
family in Europe owns one or more
Knight motored cars.

The Knight type motor is the
pearlest approach to 100% efficiency.

This motor differs from other
motors in that where all others deteri-
orate with use, *this improves*; to all
others carbon is harmful, *here it is
beneficial*; size for size it has *more
power*.

It has *no* noisy poppet valves; *no
noisy cams*; *no* uncertain valve
springs; *no* troublesome valves to
grind; *practically no* wearing parts.

Specifications:
40-horsepower Knight motor;
cylinders cast in bloc, 4 1/2 x 4 1/2"
stroke
High tension magneto ignition
114-inch wheelbase
Full-floating rear axle
Underlung rear springs
34" x 24" tires; non-skids rear
Detachable fenders; one extra
Color: Royal blue with ivory strip-
ping; gray wheels; nickel and
polished aluminum trimmings
Vacuum tank gasoline system
Electric starting and lighting system
Control buttons on steering column
Headlight dimmers
One-man mohair top
Rain-vision, ventilating type wind-
shield
Magnetic speedometer

FRED W. SIMPSON, 56 WEST MAIN ST.

INTEREST

Of That Section of the City Especially—D. C. Metz President of New Organization.

A second meeting of East Newark citizens was held last evening in Fairall's garage, in Cedar street, the first one having been held Monday evening to perfect an organization of the men who are interested in East Newark and who are determined to put their shoulders to the wheel for the city and industrial growth of that part of the city, especially.

Temporary Chairman Wesley Montgomery presided and when he called the meeting to order there was a large-sized crowd of "boosters" present. For the benefit of those who were not present Monday night Chairman Montgomery explained the object of the proposed organization.

D. C. METZ,

President of New East Newark Industrial and Improvement Association.

and then called for the reading of the minutes by Temporary Secretary J. V. Haas and after their approval the committee on by-laws reported in full.

One article at a time was read by the secretary for adoption. On motion article one was amended to read as follows: "This association shall be known as The East Newark Industrial and Improvement Association." The motion was carried with a will and the selection of the new name brought forth great applause.

Article 2, 3 and 4 were adopted as read and article 5 was amended to read as follows: "This constitution may be amended in the following manner: Amendments must be submitted in writing and read at any regular meeting, same to be carried over to following meeting for adoption. Amendments must receive three-fourth votes of those present." Article 6 was then adopted as read after which the by-laws were amended to read as follows: "This association shall meet every two weeks on Thursday night and ten members shall constitute a quorum."

The order of business was adopted as read and after the finishing of the reading of the report it was adopted in its entirety.

The election of officers being called for the names of Wesley Montgomery, O. J. Payne and D. C. Metz were presented for president of the new association. Messrs. Montgomery and Payne withdrew and Mr. Metz was elected by acclamation.

For vice president W. M. Morgan and O. J. Payne were nominated and the former receiving the largest number of votes was declared elected.

The names of Benl. Montgomery and John McVicker were presented for secretary and the former was elected.

A. J. Baldwin was selected treasurer by acclamation. Fifteen names were presented from which to elect a board of ten directors. After a spirited contest the following were selected: Wesley Montgomery, Sylvester Beadle, A. H. Heisey, John Nutter, A. D. Fairall, Frank Gruber, John McVicker, O. J. Payne, W. M. Jones and B. M. East.

The next meeting will be held Thursday evening, Sept. 16, and all persons having the interests of the East End at heart are invited to join the association. It starts with a membership of sixty-two live wires and each member has constituted himself a committee of one to bring in a new member and they propose to keep on pushing until it becomes one big lively organization, which will do much towards assisting in numerous ways the part of the city which it represents.

The East Newark Industrial and improvement association will co-operate with the Newark Board of Trade. Its members are all live wires and they will push the claims of East Newark as a splendid location for new industries which may be seeking a location. They will also take an active interest in all civic affairs and they invite everyone to attend their next meeting which will be held at Fairall's garage.

It is said that several of the theatres in Columbus yesterday were so well represented by Newarkites that one could almost imagine that they were in a local theatre. There is no doubt but that hundreds of Licking county people have been enjoying the stellar attractions which have been showing in the state capital during state fair week.

HORNUNG

(Continued from Page 1.)
this same Dresden man received letters from the fugitive regularly. No proof of this is obtainable, however. It is learned that Hornung carried life insurance aggregating \$28,000, and it is known that within the past three years he realized several thousand dollars on endowment policies which matured, and he has one policy for \$5,000 which will be payable in December of this year. This policy was placed with a Coshoccon bank to secure a loan of \$1,000, but it is said that no formal assignment of the policy was made to the bank.

Hornung's claim that his personal estate is worth \$25,000 is believed to be substantially correct, and by some his hint at the possibility of making a partial settlement is regarded as a tacit admission that he still has in his possession a considerable portion of the funds he admits having stolen, according to his alleged statements when arrested.

It is said that Hornung undoubtedly had two sets of books to facilitate his plan for the misuse of the bank's funds. This is indicated by the fact that while the bank ledger shows in one important instance that no entry was made in the account after June 2, the depositor who drew several checks after that date was given a correct balance on June 8, although the bank examiner is said to have brought to light a false charge of \$800 against this depositor's account.

From a reliable source it is alleged that all certificates of deposits with which Hornung had tampered were entered on the books with a private mark to facilitate the handling of the accounts in event the holder of a certificate called for his money after the certificate had been fraudulently canceled.

The directors of the bank had offered a reward of \$500 for the arrest of Hornung, and it is presumed that this sum will be paid without question to Postmaster Samuel T. King of the Broad Ripple, Ind., office, who caused Hornung's arrest after recognizing him from a description sent out by Sheriff Jack Evans of this county.

P. C. McGovern, one of the directors of the Dresden National bank, stated that the bank would gladly pay the reward as offered, and since United States marshals are not permitted to accept rewards, it is presumed that the whole of this sum will go to Postmaster King.

The stockholders of the bank will be called upon September 6 to pay their stock assessment to Receiver John A. Best. They were assessed 100 per cent. and may pay in full, or if not convenient, may make their payments in four installments. The assessment will require a fund of \$25,000, the amount of the bank's capitalization, which sum with available assets of the bank and what may be realized from Hornung's estate, is expected to provide a fund which may pay the creditors a out 80 cents on the dollar. This can not be stated positively, however, since the total liabilities, according to Receiver Best, are not yet known.

M'NEERNEY LAD WAS RELEASED FROM CO. JAIL

Through the efforts of Mr. Leo Davis, one of the prime movers in the organization of the Licking County Fish and Game Protective Association, who called on Gen. John C. Speaks, at Columbus, chief state game warden, the latter ordered the release of Wm. McNeerney, aged 17, who was arrested and sentenced to pay a fine of \$25 and the costs for snaring fish. The lad not having any money or friends would have been forced to remain in jail from thirty-five to forty days.

Gen. Speaks in telephoning the boy's release requested Sheriff Chas. H. Swank to tell the lad to appear before Justice D. M. Jones, before whom he was tried. The lad kept faith and went to the Justice's office where Mr. Jones gave him much fatherly advice and admonished him never to repeat the offense or he might not find anyone to intercede for him the next time. The youngster promised to obey the laws and keep out of trouble in the future.

McNeerney is the boy who was injured in a roasting accident on Cedar Hill last winter and had both legs broken, a shoulder dislocated and several ribs broken and who was laid up until May, hobbling around on crutches after that and only throwing away his cane a few weeks ago. His mother is dead and the boy has not had the proper training and has been in trouble several previous occasions. He has promised however that he will keep out of mischief in the future.

The efforts of several of the members of the local fish and game protective association to assist the boy are commendable and have the endorsement of every one. The association is not organized for persecution and prosecution, although it will assist in punishing law violators, but it is organized rather for the propagation of fish and game.

Vacation Near End.

Des B. Kirk returned to his home in Mt. Vernon today after spending several days with friends in this city. Mr. Kirk, who is a special district deputy of the order will organize a society of the Ignatz in Mt. Vernon before returning to his newspaper work at Lorain next Monday, where he will assume the city editorship of the Herald, changing to that paper from the News. Mr. Kirk has organized six chapters of the order of Ignatz since the first of the year and expects to make it an even dozen by Jan. 1.

California possesses more than one-twelfth of the hydro-electric power development of the United States, about 450,000 horsepower.
